

Intro to Colossians

"This present age"

January 10, 2021

Paul says that the cure-all medicine that everyone needs is Jesus! Jesus is the answer. But our world is different then it was 1000 or 2000 years ago. How could something like that still be current.

1. **Ours is an age of _____.** (Col. 1:16)

* Our society trusts _____ on everything

2. **Ours is an age of _____.** (Col. 1:18)

* Our world is crying out "We want _____."

* The truth is that there cannot be unity apart from _____.

3. **Ours is an age of _____.** (1:15) (2:9)

* Religions are all the same and so they have their place, but they are not of whole life _____.

* Colossians gives us a true _____ of Jesus

4. **Ours is an age of _____.** (1:22) (2:10)

* Now a days, the question people ask about religion is not is it true, but does it _____.

* Does knowing God give us _____, hope and purpose in life?

5. **Ours is an age of _____.** (3:4)

* We have _____, who are preparing for the end of the world.

* World War 3 might occur, but it will not be the _____.

Our age is full of contradictions and questions that our society wants answered.

God has the answers and Paul tells us what His answers are in Colossians.
